

Pax World Global Citizen Program

As a Pax World shareholder, you understand the value of Sustainable Investing – the full integration of environmental, social and governance factors into investment analysis. That’s why we would like to invite you to take part in the Pax World Global Citizen Program, which offers a special opportunity to support humanitarian efforts, peace and reconciliation programs and sustainable development projects around the world.

The Global Citizen Program enables Pax World shareholders to earmark a portion of their dividends and/or capital gains as a contribution to Mercy Corps, a leading humanitarian organization whose work focuses on three areas:

- Enabling community-led and market-driven recovery and development
- Advancing innovations that create sustainable social change
- Inspiring people to engage on global challenges to help millions of people worldwide

Since 1979, Mercy Corps has provided \$1.5 billion to help men, women and children in 106 countries recover from civil strife, natural disasters and economic collapse. Mercy Corps has earned the highest rating from Charity Navigator for six consecutive years, an achievement of sound fiscal management matched or surpassed by only two percent of rated charities.

By designating a portion of your investment earnings to Mercy Corps or by making a direct gift, you will be investing in long-term solutions to some of the world’s most pressing problems.

Be the change

CONTRIBUTION FORM

Yes, I want to support humanitarian efforts, peace and reconciliation programs, and sustainable development projects around the world in partnership with Mercy Corps.
