

Annex E – Acknowledgement of Acceptance for the Value Retention During Project Implementation

Should I become selected by the tender committee and awarded with the Contract for the project implementation, I hereby accept the conditions setup in the tender package related to the value retention as criteria for the award, to ensure quality of the work and time limits for the implementation.

I declare that my company and myself has sufficient qualitative and quantitative capacities as well as Financial Means to successfully implement the contract that we have applied for.

The retention value accepted with as per the tender package is 10% of my application, or any other value that Mercy Corps may set for the time of retention that Mercy Corps decide. I also acknowledge that I am aware that I may lose the retention value in partial or in full, should I not perform the qualitative work as described in my application within time limits that we agree upon in the contract.
