

Global IT RFP - Questions and Answers Document (Sep 2020)

Q. If laptops are at or approaching end of life are we quoting the replacement models?

A. Yes please

Q. What level of configuration will be required?

A. System images will be provided by MC and so no other configurations are necessary

Q. If an item that you listed is not available, may we suggest an alternative brand that corresponds to the same specs?

A. We would like to stick to the same brands please. Newer models of the brands are fine.

Q. Do we have to send you an expression of interest in participating before the actual submission?

A. No.
