

TENDER NOTICE

Mercy Corps is a non-religious, non-profit and non-governmental international humanitarian organization. Mercy Corps is powered by the belief that a better world is possible. Across the more than 40 countries in which we operate, we're working to address root causes of poverty head on, and helping those caught in crisis not only meet their immediate needs, but build a brighter future

Mercy Corps Kenya invites applications from qualified, eligible and interested firms for supply of goods and services as per the table below;
