

MC-10-2021 RFQ for the Construction Contractors
Questions & Answers

#	Question	Answer
1	Do we need to fill the pre-qualification for the above mentioned since we are already prequalified For MERCY CORP.	Yes, you need to submit a new statement of qualifications since the validity of the previous prequalification status is due end on June 2021.
2	As some of the attachments (example: Experience in relevant projects) include images, attachment size might be greater than 15MB. Is it allowed to submit the whole submission as a compressed file, through a link to a sharing website like dropbox.com or wetransfer.com	<p>Please adhere to the number of requested pages in the Request for Qualification document (RFQ) as the submittals for this specific criterion should not exceed 30 pages (A supporting certified list from JEA/JCCA must be provided).</p> <p>In case the bidder follows the instructions of number, type and size of submittals as stated in the RFQ, then there will be no need for any compressing or dropbox.</p>
3	Is it required at this stage to list the references names and contacts?	Yes, please refer to attachment 1 where you need to include the references.
4	It was mentioned in article 6 page 12 that there are two attachments, and only we found attachment 1. So can you provide us with attachment 2.	Attachment 2 is MC Bonding Policy which can be found on the same link you used to download the tender package.
5	In page 4 of the tender document, reference is made to Section 3.5, regarding the submission document format. However, there is no Section 3.5 in the document. Can you please clarify?	Yes you are right, the correct section to refer to is section 4.2 in the RFQ document.
6	You are kindly requested to extend the tender submission date for two weeks after 10/05/2021 to allow for sufficient time to complete Pr-qualification requirement.	No time extension will be given for this tender, the submission deadline will remain on Monday, May 10, 2021 at 3:00 pm (Amman Time).
