Invitation to tender

Mercy Corps is a non-profit, non-governmental and non-religious international humanitarian organization.

Mercy Corps is seeking national and/or regional consulting firms to conduct a feasibility assessment, perform detailed technical studies, and prepare tender documents for water supply infrastructure construction along the Rusayo and Mudja axis in Nyiragongo Territory, North Kivu Province of the Democratic Republic of Congo. This initiative is part of USAID's Sustainable Water and Sanitation Systems Activity.

Specifically, the project entails:

- Developing summary and detailed designs for the construction of water supply systems.
- Preparing tender documents for the planned works on the Rusayo and Mudja axis, located on the outskirts of Goma town.

The area of interest is approximately at Longitude: 29.18737582, Latitude: -1.63629543.

Interested vendors must complete and submit an *Intent to Bid* form in accordance with the provided instructions:

1. Suppliers can download the Intent to Bid form by clicking on this link [\[here\]](#).
2. The Intent to Bid form can be retrieved from the official Mercy Corps website: www.mercycorps.org/tenders.

Completed Intent to Bid forms must be submitted to Mercy Corps no later than **Dec 23, 2024 no later 23 hours Goma time**, by the following method:

1. Sending the completed Intent to Bid form by e-mail to drctendersubmissions@mercycorps.org, indicating the tender reference number in the subject line.

After the closing date of this invitation to tender, the invitation to tender / call for proposals will be sent to suppliers who have indicated their intention to bid by returning the form. The call for tenders / call for proposals will be sent by the route for which you have indicated a preference in the intention to tender form.
