SPACE OPTIONS

ACEH COMMUNITY ROOM

The relief efforts Mercy Corps supplied in 2004 when a tsunami hit Aceh, Indonesia, defined our agency. To honor those efforts the community room was named after Aceh (pronounced Ah Chay). With an open floor plan, the room can accommodate receptions, theater, boardroom or classroom seating with a maximum capacity of 150 people.

PRE-FUNCTION

The area outside of the Aceh Community Room is most often used as a pre-event gathering space, great for event registration, pre event cocktails and silent auctions.

GALLERY

The gallery holds exhibits ranging from nationally recognized exhibits like Design for the Other 90% to local community art projects. This area serves as a great place for event hosts to use as a buffet or auction area.
